PERSONAL PROFILE

A creative digital artist/photographer who is always keen to let imagination take creativity to the next level by thinking outside of the computer screen. Developed a wide array of skills across a broad range of digital art forms that have resulted in the creation of an eclectic mix of pieces from installation art to animated shorts.

SKILLS

Adobe Photoshop – Photo Manipulation and web design
Maxon Cinema 4D – Animation, Modelling and Compositing
Processing
Final Cut Pro
Macromedia Director
Adobe Flash
Adobe After Effects – Compositing and Animation
Dreamweaver
Coda
Stitcher

CAMERA SKILLS

Can use any Nikon Digital SLR and I own a Nikon D90 plus a Nodal Ninja with the ability to create VRs.

EDUCATION

BA (Hons) Digital Arts – First Class Honours

2005-2008 – Thames Valley University

Computer Graphics and Animation, 3D Character Animation, Virtual Space, Digital Narrative, SFX, Multimedia Scripting and authoring

BTEC National Diploma in Multimedia – Triple Distinction

2003-2005 – Kingston College

10 A*-C GCSE Grades

1998-2003 – Rosebery School

English and Maths included

CREATIVE PROJECTS

IDENTITY

An installation piece consisting of a processing script and a MDF board mounted with multiple pressure pads. The piece required viewers to use their feet to interact rather than their hands. It was a base face and then hundreds of different eyes, noses and mouths that were randomly picked when a viewer stepped on a certain pressure pad. A fifth pad then saved the face currently shown on screen.

CAREER HISTORY

September 2009 – October 2009 Cats Print Solutions Ltd

Duties included printing, answering phones, dealing with customers on a one to one basis, client billing, scanning, editing and emailing documents.

2004-2009 Dorothy Perkins – Sales Assistant

Duties included dealing with customers on a one to one basis, answering phones, cashing up, visual merchandising and stock management.

INTERESTS

Animation – Creation and viewing.

Film – I enjoy all kinds of film from world cinema to the latest blockbuster. I am also an avid reader of both Empire magazine and Total Film magazine.

Reading – I currently have a monthly subscription to Computer Arts magazine.

Photography – I enjoy creating Panoramic photos of interesting areas and also enjoy landscape and nature photography.
